Dear Representative Janowski and Senator Duff,

It is with great enthusiasm that I support the appointment of Robert Klee as Commissioner of the Department of Emergency and Environmental Protection (DEEP).

As Ranking Member on the Environment Committee, I have had the pleasure of working closely with the Commissioner. He is extremely knowledgeable on a wide range of environmental and energy policy issues and exhibits a commitment to conserving, protecting, and improving the state's natural resources and environment.

I ask you to support Robert Klee as the returning Commissioner of DEEP.

Thank you in advance for your consideration.

Regards,
